(nina simone)  
Love me, love me  
Say you do

Let me fly away  
With you

We're creatures of the wind  
Wild is the wind

Give me more than one grasp  
To satisfy this hungryness  
We're creatures of the wind  
Wild is the wind

You touch me  
I hear the sound of mandolines  
You kiss me  
With your kiss my life begins

Like a leaf clings to a tree  
Baby please cling to me  
We're creatures of the wind  
Wild is the wind

You touch me  
I hear the sound of mandolins  
And you kiss me  
With your kiss my life begins

Love me, love me  
Say you do

Let me fly away  
With you
