A woman left lonely will soon grow tired of waiting,  
She'll do crazy things, yeah, on lonely occasions.  
A simple conversation for the new men now and again  
Makes a touchy situation when a good face come into  
your head.  
And when she gets lonely, she's thinking 'bout her  
man,  
She knows he's taking her for granted, yeah yeah,  
Honey, she doesn't understand, no no no no!

Well, the fevers of the night, they burn an unloved  
woman  
Yeah, those red-hot flames try to push old love aside.  
A woman left lonely, she's the victim of her man, yes  
she is.  
When he can't keep up his own way, good Lord,  
She's got to do the best that she can, yeah!  
A woman left lonely, Lord, that lonely girl,  
Lord, Lord, Lord!
