There's a time in your life
Where you have to decide
Wrong or right
Only time will tell
If it leads the right way
Then there's no way back
You've reached the point of no return
THERE'S NO WAY BACK
No there's no undo you got to live with your mistakes
THERE'S NO WAY BACK
Remember that cold day when you make that decision
The pressure leads to go wrong
It's all of you in this fucking decision

Don't look back
Forget the past
We all make mistakes
THERE'S NO WAY BACK

No there's no undo
NO WAY BACK
No there's no return

We all make mistakes

Don't look back
Forget the past
We all make mistakes
THERE'S NO WAY BACK

No there's no undo
NO WAY BACK
No there's no return

Things you've done
Wish you can go back in time
