Some day I'll be gone.
Some day I'll be on the road.

Please tell mom I'm not home.
For god sake don't pick up the phone.
Lets just have fun for the night.
Doing this all day and night.
What the fuck is this for real.
Is me being gone such a big deal.
Lets just have fun for the night.
Doing this all day and night.

Some day I'll be gone.
On the road.
Some day I'll be gone.
Gone on this open road.
Why is this all such a big deal.

This will pay off.
Pay off in the end.

We are the ones who are moving.
Get the fuck back you are loosing.
To all the ones that laughed in my face.
Look who's in front of the race.
Look back how does it taste.
Come at us well put you in place.
We are the ones who moving.
Get the fuck back if you're loosing.

This is what I need, I won't be long.
They don't know me.
This is what I bleed, I won't be long.
They don't know me.

This is what I need.
I wont be long.
This is all I need.
This is all.
