

Keepsake "Final Moments"

Visit "[Final Moments](#)" on MotoLyrics.com

I see nothing
As darkness envelops me

Light cannot penetrate
My reality is laid to rest
Our eyes never meet
Our eyes never meet

But I feel it's presence
A piercing stare burns through me
How long do I have to wait
Before they're taken from me?
How long do I have to wait
Before they're used to destroy me?

Light cannot penetrate
My reality is laid to rest
Our eyes never meet
Our eyes never meet

Can this fatal bond be dissolved
Before I'm left in ruins?
It seems so hopeless
But now at last

The final cut has been made
My blood has been devoured
I'm reduced to nothing
Satisfied it moves on
Satisfied it moves on
