Shes watching by the poplar callin'Ned with the sea  
blue eyes  
Shes watching and long and waiting where the long,  
wide roadway lies  
And the songsters in the silence as the wind in the  
boughs above  
She listens and starts and trembles tis the first little  
song of love (of love)  
Roses are shining in Picardy in the hush of the silvery  
dew  
Roses are flowering in Picardy but there's never a rose  
like you (like you)  
And the roses will die with the summertime  
And our roads may be far apart (far apart)  
But the one rose that dies not in Picardy  
Tis the rose that I keep in my heart (my heart)  
And there it will always be (will always be)
