"The Beginning Of The End Of Sound"

We are the end of sound as we know.

Did you know that this is the end of sound as we know.

Mind, body, soul, we are the end of sound as we know.

Breaking the bonds of control, this is the end of sound
as we know.

Living a lie that they've told, we are the end of sound
as we know.

Burning the books that are old, this is the end of sound
as we know.

Taking our rights as a whole, we are the end of sound
as we know.
