She wants it  
He doesn't want enough  
She dreams it  
He dreams in shades of blue  
She holds on  
He lets go of all they know  
He's living  
She's dying way too young

*[Chorus]*

A girl so strong  
Broken one by one  
Day by day  
She runs away  
from the ones who really love  
A girl so strong  
Broken one by one  
They say that home is where the heart aches  
But in her case  
Home is where the heart makes her  
the one we love  
It's been so long

since he's seen your face  
An image that he can not replace  
It's been so long  
since she's been gone  
Her love's with us for ever long

She sees him.  
He never sees a thing  
He breathes it.  
She's choking on her own heart

*[Chorus]*

It's been so long  
since he's seen your face  
An image that he can not replace  
It's been so long  
since she's been gone  
Her love's with us for ever long

*[Chorus]*
