

Keepsake "Third Wish"

Visit "[Third Wish](#)" on MotoLyrics.com

I, I wish, I could be alone
With you for one last time

When I left, I gave you back
My only symbol of our love
You promised me one thing
Please hold yourself to that

The things that I would say to you
Would spark the flame
That once burned so bright

My only symbol of our love
You promised me one thing
Please hold yourself to that

The things that I would say to you
Would spark the flame
That once burned so bright

When I left, I gave you back
My only symbol of our love
You promised me one thing
Please hold yourself to that

The things that I would say to you
Would spark the flame
That once burned so bright
