Jesus, won't You sing Your love song  
And songs of freedom over me  
Speak the words of life eternal  
Break the bonds and set me free

Jesus, won't You sing Your love song  
And songs of freedom over me  
Speak the words of life eternal  
Break the bonds and set me free

For today, I need to be Lord  
Closer than ever before  
You have heard Your name on my lips  
But today I need You more  
But today I need to know you

More, I need to see You more  
A glimpse of Your unfailing grace  
Before I can lift up my praise  
Jesus, more, I need to see You more  
Your faithfulness endlessly  
For You are in love with me  
Jesus, more!

Jesus, won't You sing Your love song  
And songs of freedom over me  
Speak the words of life eternal  
Break the bonds and set me free

For today, I need to be Lord  
Closer than ever before  
You have heard Your name on my lips  
But today I need You more  
But today I need to know you

More, I need to see You more  
A glimpse of Your unfailing grace  
Before I can lift up my praise  
Jesus, more, I need to see You more  
Your faithfulness endlessly  
For You are in love with me

Jesus, more!

Jesus more,  
A glimpse of Your unfailing grace  
Before I can lift up my praise  
Jesus, more, I need to see You more  
Your faithfulness endlessly  
For You are in love with me  
Jesus, more!

Jesus, I need You  
I need to See you more  
I need to know You more!  
I need You  
Jesus.  
I need You  
Jesus, I need to see You more!
