"Pour My Love On You"

I don't know how to say exactly how I feel
And I can't begin to tell you what your love has meant
I'm lost for words

Is there a way to show the passion in my heart
Can I express how truly great I think you are
My dearest friend

Oh this is my desire to pour my love on you

Like oil upon your feet
Like wine for you to drink
Like water from my heart
I pour my love on you
With praises like perfume
I lavish mine on you
Till every drop is gone
I pour my love on you
