Intro:

Look here baby
You see,
Imma need you to get to know me
The real me

Verse 1:

That's what I get when I fall for a man
Who doesn't wanna take his time...
To tell me that I'm beautiful
Just wants to get it on tonight (yeah)

Bridge:

It took me 'bout 2 hours just to do my toes and hair
It took me all damn night to make my shoes match
what I wear
Sometimes it seems just like he doesn't even know I'm
there
Sometimes it feels just like he doesn't even care

Chorus:

My lips (my lips), my eyes (my eyes)
But you only think about my thighs
I did my nails (nails), my cheeks (my cheeks)
But chya thinking 'bout underneath
Underneath it all... it's a pretty young thing that you
can't replace (replace)
Underneath it all... not just a tight waist, not just a
pretty face

Verse 2:

See that's what I get when I fall for a man,
Who only thinks about one thing
He tells me that he loves me but,
He only wants to get in my jeans

Bridge:

It took me 'bout 2 hours just to do my toes and hair
It took me all damn night to make my shoes match
what I wear
Sometimes it seems just like he doesn't even know I'm
there

Sometimes it feels just like he doesn't even care

Chorus:

My lips (my lips), my eyes (my eyes)
But you only think about my thighs
I did my nails (nails), my cheeks (my cheeks)
But chya thinking 'bout underneath
Underneath it all... it's a pretty young thing that you
can't replace (replace)
Underneath it all... not just a tight waist, not just a
pretty face

Get to know the person that is inside of me (of me)
It's more to me than what the I can see (can see)
Want me to be your woman, need to show me something
Show me some attention, gimme that affection
Be a man, understand, how I feel

Chorus:

My lips (my lips), my eyes (my eyes)
But you only think about my thighs
I did my nails (I did my nails), my cheeks (my cheeks)
But chya thinking 'bout underneath
Underneath it all... it's a pretty young thing that you
can't replace (replace)
Underneath it all... not just a tight waist, not just a
pretty face
(x2)
