Up, up, up past the Russell Hotel  
Up, up, up, up to the Heaviside layer  
Up, up, up past the Russell Hotel  
Up, up, up, up to the Heaviside layer

Up, up, up past the Russell Hotel  
Up, up, up, up to the Heaviside layer  
Up, up, up past the Russell Hotel

Up, up, up, up to the Heaviside layer

Up, up, up past the Jellicle moon  
Up, up, up, up to the Heaviside layer  
Up, up, up past the Jellicle moon  
Up, up, up, up to the Heaviside layer

The mystical divinity  
Of unashamed felinity  
Round the cathedral rang 'Vivat'  
Life to the everlasting cat
