Vaya con dios my darling
Vaya con dios, vaya con dios my love
Now the hacienda is so dark
The town is sleeping
Now the time has come to part
The time for weeping
Vaya con dios my darling
Vaya con dios, vaya con dios my love
Now the village mission bells are softly ringing
And if you listen with your heart, you hear them singing
Vaya con dios my darling
Vaya con dios, vaya con dios my love
Wherever you may be, I'll be beside you, oh yes, I will
Although you're many million dreams away
Each night I say a prayer, a prayer to guide you, oh
yes, I will
To hasten ev'ry lonely hour of ev'ry lonely day
Now the dawn is breakin' through of a great tomorrow
But the memories that we share are still there
tomorrow
Vaya con dios my darling
Vaya con dios, vaya con dios my love
Vaya con dios my darling
Vaya con dios, vaya con dios my love
Vaya con dios my darling
Vaya con dios, vaya con dios my love
