ring ring ring  
it's the same thing  
always call me up  
yo girl how u been

with lovey dovey stuff  
that i don't need

please please please  
won't you tell me  
what happened to that ?  
that you used to be

rolling with the hood  
and up to no good  
duttu duttu dut  
and misunderstood

back back back up  
reverse reverse  
cause i i liked you  
the way you were  
i said back back back up  
reverse reverse  
cause im just trying to find out

what happend to the boy you used to be  
i wish he would come back come back to me  
what happend to the boy i used to know  
cause he don't come round round here no more  
what happend to the boy you used to be  
won't somebody tell me tell me please  
what happened to the boy i used to know  
won't you tell me where'd my bad boy go

whered my bad boy go

bling bling bling  
i don't see no ring  
so why you gots to go  
and change everything

you had it goin on  
but now you so gone  
bringin me flowers  
singin love songs

why why why  
do you have to try  
to be someone else
