[Chorus]

I want to get you, want to get
Let's go and get down and dirty
Baby play the game, play my way
But either way it's all the same baby

I want to get you, want to get
Let's go and get down and dirty
Baby play the game, play my way
But either way it's all the same baby

[Verse 1]

You're the type of guy to drive a girl wild
And you're the type of guy to make a girl smile
Boy you've got me tripping deep down inside, and all
these feelings for you that I have I can't hide
People say, don't get down with you, but I know how I
feel for you
Though I may deny it, I'm digging you and that's how
I...

[Chorus]

I want to get you, want to get
Let's go and get down and dirty
Baby play the game, play my way
But either way it's all the same baby

[Repeat 1x]

[Verse 2]

There aint no way, they can make me think I should go
away
I've been around you baby everyday
And the song I sing, every word I mean cuz I cant stop
something sent from above
Baby don't stop your touch, I could never get enough
Sweetie feel me up, with your precious love cuz that's
how I want to get down

[Chorus]

[Repeat 3x]
