[Chorus]

I am tired of the bullshit competin with these other  
chicks  
you don't know what to do with this you act like  
Guess What nigga I am leaving you and guess what  
I am needin my keys from you I was so stupid for love  
th-in-kin you was everything  
a real man can give me and more but guess not nigga  
Im leavin you and guess what I'm needin my key's from  
you.  
I was so stupid for love th-in-kin you was everything  
a real man can give me and more but guess not nigga  
Im leavin you  
and guess what I'm needin my key's from you.

Nigga hears he pho-to I gotcha comin up out her front  
door  
thought you had me fast but damn you didn't know.  
Every time you paged her she would page me and tell  
me you were there.  
And that's a no no I let you go for months thinkin so  
wonderin why you haven't hit this  
in so long Im a smart bitch and I gave you the rope and  
now your hangin there.  
Tell me what in the hell your thinkin not keysh being  
home alone another weekend not keysh  
I let you get away with this nonsense for to long aint  
gone be no more callin this

[Chorus]

Now you wanna conversate sit back talkin about the  
mistakes you made  
when I was on your plate Nigga now hold yo wait now  
wasn't you the one sayin  
I guess its safe to say now every man you meet now  
has a tendency to cheat shame on me  
because if you new it was the same hold you to  
everything you thought she would be stay off me.  
Tell me what in the hell your thinkin not keysh being  
home alone another weekend not keysh  
I let you get away with this nonsense for to long aint

gone be no more callin this

[Jadakiss Verse]

Everything I told you I showed you everything I  
promised came true if not boo I owe you.  
And its your loss now and it aint nothin you now me  
I still got the duplex across town you wanna act hard ya  
Ima give you your key's back just give me my platinum  
and black cards  
and I can't lie Ima miss pullin your and hittin it from the  
back hard uh guess what  
I'm just bein a man I messed up fortunately I ain't got  
the best luck  
but at the end of the day ask me if I give a less fuck.

[Chorus]

I am tired of the bullshit competin with these other  
chicks  
you don't know what to do with this you act like  
Guess What nigga I am leaving you and guess what  
I am needin my keys from you I was so stupid for love  
th-in-kin you was everything  
a real man can give me and more but guess not nigga  
Im leavin you and guess what I'm needin my key's from  
you.  
I was so stupid for love th-in-kin you was everything  
a real man can give me and more but guess not nigga  
Im leavin you  
and guess what I'm needin my key's from you.

So where were you where you been you didn't answer
