[Keyshia]

You know who you are

Yea you

[Kayne]

Kanye West on the track by the way

[Keyshia]

Yea...

No, No

[Verse 1:]

There's this girl I know

so deep in love (in love)

Do almost anything

to make him see she's the one

but he doesn't feel a girl like her

He's so, so wrapped up

Cause the average girl

will give him anything he wants

[Pre-Chorus]

He's so caught up

He won't call her

He shows no love

So she decides

[Chorus]

I changed my mind

I don't love you

I don't love you no more

Don't waste my time

[Verse 2:]

It's the funniest thing cause I

know how I feel inside

but you never felt the same as I

(never, never, never, ohh)

I miss him so much

I bet you don't even notice

and he don't even realise

Cause he...

[Pre-Chorus]
He's so caught up
He won't call her
He shows no love
So she decides

[Chorus]
I changed my mind
I don't love you
I don't love you no more
Don't waste my time

[Bridge]
I'm so over you
got no more to give
I gave it all to you
and you couldn't handle it
and I don't care
if you come back to me on your knees
I just don't love you no more

[Chorus]
I changed my mind
I don't love you
I don't love you no more
Don't waste my time

[Kanye]
Stop

What you thinkin'
When you see me on the corner
and you see me hagin' out
Niggas on the block
don't care what it's all about

[Kanye]
And stop

What you thinkin'
when you see me comin through
and you see me with a nigga
on the corner til' 2

[Repeat chorus til song fade]
