Ohhh...  
Remember...  
Oh, I remember...  
I wanna know...

[Verse 1:]

Where were you when I said I loved you?  
And where were you when I cried at night?  
Waiting up, couldn't sleep without you.  
Thinking of all the times we shared.

[Chorus:]

I remember when my heart broke.  
I remember when I gave up loving you.  
My heart couldn't take no more of you.  
I was sad and lonely.  
I remember when I walked out.  
I remember when I screamed I hated you.  
But somehow deep inside still loving you.  
I'm sad and lonely.

[Verse 2:]

No one knew all the pain I went through.  
All the love I saved deep in my heart for you.  
Didn't know where I would go, where I would be.  
But you made me leave.  
And plus my heart it just, it just kept telling me so.

[Chorus:]

I remember when my heart broke.  
I remember when I gave up loving you.  
My heart couldn't take no more of you.  
I was sad and lonely.  
I remember when I walked out.  
I remember when I said I hated you.  
But somehow deep inside still loving you.  
So sad and lonely.

[Bridge:]

There was nowhere else to go, oh.  
Nobody else to turn to, no.  
For the rest of my life, I promised myself I will love me

first genuinely.

[Chorus:]

I remember when my heart broke.  
I remember when I gave up loving you.  
My heart couldn't take no more of you.  
I was sad and lonely.  
I remember when I walked out.  
I remember when I said I hated you.  
But somehow deep inside still loving you.  
Sad and lonely.

I remember when I walked out.  
I remember when I gave up loving you.  
My heart couldn't take no more of you.  
So sad and lonely, hey.  
I remember when I stormed out.  
I remember when I gave up loving you.  
I was sad and lonely.
