Let's Go, Let's Go

I don't want yo' mannnn
Cuz I got it like that
But it ain't even gotta be like that
(heh heh heh heh heh)
Your man he be callin' me back
He say I'm fine and a matter of fact
(heh heh heh heh heh)
He ask how I do like that
Fit my jeans over baby phat
Listen, I don't know the type of tricks he playin'
But I should warn you, I don't want yo' man

(Verse 1)

I understand why you wanna try,
Make him stay home late at night,
But if you wanna go,
He'll be gone, no lie.
I can't explain how many times I tried,
How many times I cried,
Thinkin' about mine and where he might be.
Remember when I gave everything I got,
Couldn't get deep down inside.
How you love some one who didn't love me
But I wanna get if he don't wanna
Love you right way he ain't gonna
It ain't where he's at, it's where he, where he wanna be

(Chorus)

If he ain't gonna love you the way he should, then let it
go (If he ain't gonna)
If he ain't gonna treat you the way he should, then let it
go (If he ain't gonna)
If he ain't gonna love you the way he should, then let it
go (Let it gooo-ohhh)
If he aint gonna treat you the way he should, then let it
go

(Missy)

When the song come on in the club, they gonna be like,
damnnn that's hot,
When they play it in the car, they gonna drop they tops

Touchin' home with alibis,
Trying get me to see that's where he trying to be.
But I don't want your man,
Your mans been callin me (callin me)
Trying to get me to see that he wants me to be with him
But he ain't the one for me.
And if you only knew (only knew)
You would have to finally see that (finally get the
chance to see that)

You have to get if he don't wanna,
Love you the right way,
He ain't gonna,
It ain't where he's at, its where he, where he wanna be-
eeee Yeah-ahhhh

(Chorus)

If he ain't gonna love you the way he should, then let it
go (Let it go)
If he ain't gonna treat you the way he should, then let it

If he ain't gonna love you the way he should, then let it
go (Let it gooo-ohhh)
If he ain't gonna treat you the way he should, then let it
go

(Lil' Kim)

Uh, Uh, Uh

Here's a lil lesson, Lil' Kim don't stress em'
Kick em' all straight to the curb like Beckham
Broke up with my ex, he was huffin out
But lil' do she know she just a rebound
Callin' my phone she's so out of pop
And I been there before, girl you need to stop
Trippin' on me when he tell you he ain't got it
You don't get the picture, my pictures in his wallet
Never eva thought I would leave him alone,
But I let a dawg roam now, he wanna come home
But I don't trust him, tho I still love him
No longer wonder, lookin' at his cousin
Kinda buzzin', loose off the Goose
Got em' on the chase like cranberry juice
When he's wit you, he's wishin' it was me (Meeeeeee)
You might be where's he at, but I'm where he wanna be
Baby, Babyyy
Heyyy

(Keyshia Cole)

Let it Gooo-ohh, Let it Gooo-ohh, Let it Gooo-ohh
(Leehhhhhhh-et it Go)
Ayyyyyyeahhhhhh
(Let it go, Let it go, Let it Go)
It's where he wanna be
(Let it Go, Let it go, Let it Go)
(Let it Go, Let it Go, Let it Go)

(Chorus)

If he ain't gonna love you the way he should, then let it
go
If he ain't gonna treat you the way he should, then let it
