Im not the sort of person
Who falls in and quickly out of love
But to you I gave my affection right from the start
If I have a lover who loves me
How could I break such a heart,
You can still get my attention right from the start

Why do you come here when you know I got troubles
enough?
Why do you call me when you know I can't answer the
phone?
Make me lie when I don't want to
And make someone else some kind of unknowing fool
You make me stay when I should not
Are you so strong or is the weakness in me?

Why do you come here and pretend to be just passing
by?
But I need to see you
And I need to hold you....tightly
Baby

Feelin guilty..worried
Waking from tormented sleep
This old love has me bound but the new love cuts deep.
If I choose now, I lose out
Cause one of us has to fall
I need you and you alone

Why do you come here when you know I got troubles
enough?
Why do you call me when you know I can't answer the
phone?
You make me lie when I don't want to
And make someone else some kind of unknowing fool.
You make me stay when I should not
Are you so strong or is the weakness in me?

You make me lie when I don't want to
And make someone else some kind of unknowing fool.
You make me stay when I should not.

Are you so strong or is the weakness in me?

Why do you come here and pretend to be just passing
by
When I need to see you
And I need hold you....tightly

Baby
