[Verse 1]

Every girls got to go through it and every man has to  
go through it its a thing called love.  
Listen to me now Listen to me.  
I still remember the day that you said you was a  
badboy.  
Man I should have listened when you said you was a  
bad boy.  
You took control of me I thought you would change for  
me.  
Everything different now reminiscing ain't the same  
boy,  
How I let you come and hurt me like this boy.  
This boy, I am open now I want to get away but you are  
forcing me to stay.

[Chorus]

Love I thought you had my back this time but man I am  
wrong this time.  
It's a thing called  
(thought you had my back)  
Love I thought you had my back this time, but man I am  
wrong this time,.  
It's a thing called Love.

I loved you for your ways but your ways hurt me bad  
boy.  
Hurt me so bad why you want to see me sad boy, I am  
tired of crying over you  
but I miss you so much I don't know what to do seems  
that I gotta move on  
live life with out cha, but every time someone comes  
around to talk about you  
I get feelings inside again I wanna be right back by  
your side again.

[Chorus]

Ooh ooh ooh You got me ya, ooh You got me ooh ooh,  
You got me ya, ooh.  
And I don't know what to do. I thought you had my back

I am so wrong I am so wrong.

Ya its all good though sometimes in life you know  
situations  
come your way you just gotta make good decisions  
man,  
You know you gotta know your focus in life and if love  
is your focus then man pay attention.

You got me ya. I am so stuck right here.
