Oh no

Girls like me, we dont mess around
Stick together as one, through our ups and downs
Just because u dont like what u see (like what u see)
Cats like us dont take shhhhhh easily

do do do do do do do do do do do do
Watcha gonna do
do do do do do do do do do do do do
Here we come so babe, c'mon lets go

Watcha watcha watcha watcha watcha watcha gonna
do
Watcha watcha watcha watcha watcha watcha wanna
prove
We're gonna take u down, smash u up, show u how we
roll
Watcha watcha watcha watcha watcha watcha gonna
do

ooh

Im getting fed up of your shady attitude
You keep on invading my space
Like u wanna light my fuse
Im gonna break it down, hang u out, shoot u out
Cos remember cats like us dont take shhhhhh so easily

do do do do do do do do do do do do
Watcha wanna do
do do do do do do do do do do do do
So tell me, tell me, watcha gonna do

Watcha watcha watcha watcha watcha watcha gonna
do
Watcha watcha watcha watcha watcha watcha wanna
prove
We're gonna take u down, smash u up, show u how we
roll
Watcha watcha watcha watcha watcha watcha gonna

do

We should not, carry on, in the way that cause
Hurt, pain and hatred
Peace and love, is what we want
I've seen it all, is it really worth it?
I'm not listening (x3) I'm not listening at all

Watcha watcha watcha watcha watcha watcha gonna
do
Watcha watcha watcha watcha watcha watcha wanna
prove
We're gonna take u down, smash u up, show u how we
roll
Watcha watcha watcha watcha watcha watcha gonna
do (x2)
