No no no no..

It started up when you left me there
I don't know how
All I wanted was a bit of your time... Whatever
You told me I was the only one... Yeh right
You messed it up you hold me down
Oh you lost your mind boy

Chorus

I... Know your trying to get to me
But I am stronger than I used to be
You can look but you can't touch
One mistake and you could lose so much
Baby don't fool a woman in love

Don't fool a woman in love x2

Don't fool a women

Funny how everything has changed
It's turned around
One thing missing but I found my way
Ooooh

I just need someone to treat me right yehh..
'Cus it's about honesty
A lot of me
Listen when I say boy

Chorus

I... Know your trying to get to me
But I am stronger than I used to be

You can look but you can't touch
One mistake and you could lose so much
Baby don't fool a woman in love
(In Love)
Don't fool a woman in love x2

Don't fool a women

(Girl you know I'm sorry)

Well you should be

(I gave you everything)

I don't think so

(I just wanna see you)

Not this time

(Can you forgive me?)

Forgive and forget No

(Ohh Ohh)

Nooo Nooo

(Please)

Aaaaaa

I'm That fool in love

Chorus

I... Know your trying to get to me

But I am stronger than I used to be

You can look but you can't touch

One mistake and you could lose so much

Baby... (Baby) don't fool a woman in love

(Can you forgive me)

Don't fool a woman in love x2

(I'm sorry)

Don't fool a woman in love!
