I'm not the sort of person who falls
In and quickly out of love
But to you I gave my affection
Right from the start

I have a lover
Who loves me
How could I break such a heart
Yet still you get my attention

Why do you come here
When you know I've got troubles enough
Why do you call me
When you know I can't answer the phone

Make me lie
When I don't want to
And make someone else
Some kind of an unknowing fool

You make me stay
When I should not
Are you so strong
Or is all the weakness in me

Why do you come here
And pretend to be just passing by
But I mean to see you
And I mean to hold you tightly

Feeling guilty worried
Waking from tormented sleep
This old love has me bound
But the new love cuts deep

If I choose now
I'll lose out
One of you has to fall
And I need you and you

Why do you come here
When you know I've got troubles enough

Why do you call me
When you know I can't answer the phone

Make me lie
When I don't want to
And make someone else
Some kind of an unknowing fool

You make me stay
When I should not
Are you so strong
Or is all the weakness in me

Why do you come here
And pretend to be just passing by
But I mean to see you
And I mean to hold you tightly
