Ain't gonna lie
That's one thing
You and I could never see
So as we kiss goodbye
If I cry don't let these
Tears I she'd today
Hold you back in any way
He's waiting for your smile so hurry
I'll be fine now don't you worry
Ain't gonna lie
If you say he's the guy
I won't stand in your way
Though it hurts me today
I'll get by
And I ain't gonna lie
Ain't gonna lie
Baby don't cry
Though my heart is breaking
I'm glad that you
Told the truth
Instead of some
Pack of lies
To us a lies the only sin
At least well end the way we've been
By being truthful to each other
Girl I hope I find another
Ain't gonna lie
I'll be out by and by
Maybe I'll never meet
Anyone half as sweet
But I'll try
And I ain't gonna lie

To us a lies the only sin
At least well end the way we've been
By being truthful to each other
Girl I hope I find another
Ain't gonna lie
I'll be out by and by
Maybe I'll never meet
Anyone Half as sweet
But I'll try

And I ain't gonna lie
I ain't gonna lie
No I ain't gonna lie.
