I see your momma and the candles and the tears and
roses
I see your daddy walk his daughter down the aisle
My knees starts to tremble as I tell the preacher
'Don't she look beautiful tonight?'
All the wonderful words in my head
I been thinking
You know I wanna say them all just right
I lift your veil and angels start singing
Such a heavenly sound

Lost in this moment with you
I am completely consumed
My feelings so absolute
There's no doubt
Sealing our love with a kiss
Waited my whole life for this
Watching all my dreams come true
Lost in this moment with you

I smell the jasmine floating through the air like a love
song
Watch my words draw sweet tears from your eyes
We bow our heads as the preacher talks to Jesus
'Please bless this brand new life'
Yeah

Lost in this moment with you
I am completely consumed
My feelings so absolute
There's no doubt
Sealing our love with a kiss
Waited my whole life for this
Watching all my dreams come true
Lost in this moment with you

Lost in this moment with you
I am completely consumed
My feelings so absolute
There's no doubt
Sealing our love with a kiss

Waited my whole life for this
Watching all my dreams come true
Lost in this moment with you
Lost in the moment
In this moment with you
Yeah
Lost in this moment with you
