Well I heard that you met somebody
And I heard that the wedding was nice
Well it happened kinda sudden hey but true love
doesn't
Have to think about them kinda things twice

Now you got your man
And right on your hand is that 2.2 Marquis
But now for me
It looks like Plan B

Well I won't say the news didn't shock me
That it didn't kinda take me by surprise
'Cause you'd headed out west to find yourself
And you found yourself some guy

Now you'd always said that we'd be wed
By the time you were 23
But now for me
It looks like Plan B

Well, I gotta be strong, I gotta be tough
Gotta believe that I'm man enough
To chalk it all up to it never was meant to be

Yeah, it's gonna be hard but I've gotta begin
To dust off my dreams and dream 'em again
'Cause I've gotta crazy to think you still love me

So that means just me
And old Plan B

Well at first I thought, hell it doesn't matter
I'd give it a year at best
But then somebody told me you were startin' to show
And they had to let out your weddin' dress

Hell man I can hear that door slam
From L.A all the way to Big D
Leavin' me
With old Plan B, yeah

Well, I gotta be strong, I gotta be tough
Gotta believe that I'm man enough
Chalk it all up to it never was meant to be

Yeah, it's gonna be hard but I've gotta begin
To dust off my dreams and dream 'em again
'Cause I've gotta crazy to think you still love me

So that means just me
And old Plan B
Yeah that means it's just me
And old Plan B, Plan B

Oh goodbye
Plan b
Oh yeah, yeah
