Oh yeah  
Ay, ay, ay, ay  
(Wrap around, wrap around)  
Ay, ay, ay, ay  
(Wrap around, wrap around)  
Ay, ay, ay, ay  
(Wrap around, wrap around)  
Ay, ay, ay, ay  
(Wrap around, wrap around)

You should see her every mornin'  
In my faded flannel shirt  
Wearin' her big bear slippers  
She's so sexy that it hurts

And when I take her to the city  
You should see her turnin' heads  
They never seen nothin' so pretty  
She can't help but knock 'em dead, yeah, yeah

She got a kiss that burns me down  
She got a touch that makes me come unwound  
She got a smile that knocks me to the ground  
My baby got the kinda love a man can wrap around

(Wrap around, wrap around)  
Ay, ay, ay, ay  
(Wrap around, wrap around)

She's the perfect combination  
Of Ginger and Mary Anne  
And down home sophistication  
Ain't no lines in her tan, no

Sometimes she likes to hear Sinatra  
A-sometimes ZZ top  
But if you drink the Cucaracha  
(Cucaracha)  
She'll dance until you, she'll dance until you drop

She got a kiss that burns me down  
She got a touch that makes me come unwound

She got a smile that knocks me to the ground  
My baby got the kinda love a man can wrap around,  
yeah

No, I don't think God ever  
Never made anything better

She got a kiss that burns me down  
She got a touch that makes me come unwound  
She got a smile that knock me to the ground  
My baby's got the kinda love

She got a kiss that burns me down  
She got a touch that makes me come unwound  
She got a smile that knocks me to the ground  
My baby got the kinda love a man  
You know, my baby got the kinda love a man  
Yeah, my baby got the kinda love a man can wrap  
around

Oh yow, wow, wow  
Well wrap a-wrap around  
Ay, ay, ay, yow, yow

Wrap around, wrap around  
(Wrap around, wrap around)  
Wrap around, wrap around  
(Wrap around, wrap around)  
Well wrap around, wrap around  
(Wrap around, wrap around)  
Well wrap around, wrap around  
(Wrap around, wrap around)  
Yeah, yeah

Do it  
(Wrap around, wrap around)  
Ay, ay, ay, ay  
(Wrap around, wrap around)  
(Wrap around, wrap around)  
Wrap around, wrap around  
(Wrap around, wrap around)

(Wrap around, wrap around)  
(Wrap around, wrap around)
