It's not my way to love you just when no one's looking,
it's not my way to take your hand if I'm not sure,
it's not my way to let you see what's going on inside of
me,
when it's a love you won't be needing you're not free.

Please stop pulling at my sleeve if you're just playing,
if you won't take the things you make me wanna give,
I never cared too much for games, and this one's
driving me insane,
you're not half as free to wonder as you claim.
But I'm easy, yeah I'm easy, give the word I'll play
your game,
as though that's how it ought to be, because I'm
easy.

Don't lead me on if there's nowhere for you to take me,

if loving you would have to be a sometime thing,
I can't put bars on my inside, my love is something I
can't hide,
it still hurts when I recall the times I tried.
But I'm easy, yeah I'm easy, take my hand and pull me
down,
I won't put up any fight because I'm easy.

Don't do me favours, let me watch you from the
distance,
'cause when you're near I find it hard to keep my
head,
when your eyes throw light at mine, it's enough to
change my mind,
make me leave my cautious words and ways behind.
That's why I'm easy, yeah I'm easy, say you want
me I'll come running,
without taking time to think, because I'm easy.
