Sometimes it's hard to see  
Sometimes it's hard to get through to me  
But I want to do all that You ask me to  
Help me to follow through  
Make every day a devotion to You  
'Cause it's dust to dust, until we learn how to trust

Sometimes I wander away  
And I'm lost in the dark, my faith starts to sway  
I don't know what to do, so I cry out to You  
And I reach out in the air

And I call Your name and You're always there  
Then You send down Your light  
Then You tell me, walk by faith not by sight  
And then You come shining down

I'm putting Your armor on  
Finding myself so suddenly drawn  
Like a moth to a flame, whenever I hear Your name  
Help me to follow through  
Make every day a devotion to You  
'Cause it's dust to dust, until we learn how to trust

Sometimes I wander away  
And I'm lost in the dark, my faith starts to sway  
I don't know what to do, so I cry out to You  
And I reach out in the air

And I call Your name and You're always there  
Then You send down Your light  
Then You tell me, walk by faith not by sight  
And then You come shining down

Sometimes it's hard to see  
You know, sometimes it's hard to get through to me  
Sometimes it's hard to see  
You know, sometimes it's hard to get through to me  
But it's dust to dust until we learn how to trust  
Until we learn how to trust
