"Grace By Which I Stand"

Lord, the feelings are not the same
I guess I'm older, I guess I've changed
And how I wish it had been explained
That as you're growing you must remember

That nothing lasts, except the grace of God
By which I stand, in Jesus
I know that I would surely fall away, except for grace
By which I'm saved

Lord, I remember that special way
I vowed to serve You, when it was brand new
But like Peter, I can't even watch and pray
One hour with You and I bet, I could deny You too

But nothing lasts, except the grace of God
By which I stand, in Jesus
I'm sure that my whole life would waste away, except
for grace
By which I'm saved

But nothing lasts, except the grace of God
By which I stand, in Jesus
I know that I would surely fall away, except for grace
By which I'm saved
