There is nothing new  
I could give to you  
Just a life that's torn  
Waiting to be born

Rivers overflow  
Friends may come and go  
But you've been by my side  
With every tear I've cried

Oh, I can't believe that  
You'd give everything for me  
Oh, I can't believe it, no  
Oh, I can't believe it, no, no

I know you never lied  
And so it's just my foolish pride  
That won't receive it, yeah  
It's so hard to receive it in my heart  
And make the start with you

Help me, help me now  
I just don't know how  
You know, I've been so alone  
Please melt this heart of stone

Lah, lah, lah  
Lah, lah, lah  
Lah, lah, lah

Oh, I can't believe that  
You'd give everything for me  
Oh, I can't believe it, no  
Oh, I can't believe it, no, no

I know you never lied  
And so I'm giving up my pride  
So I can receive it, yeah  
I just want to receive it in my heart  
And make the start with you

Lah, lah, lah, with you

Lah, lah, lah, only with you  
Lah, lah, lah
