You make my life a prayer to You  
I wanna do what You want me to  
No empty words and no white lies  
No token prayers no compromise

I wanna shine the light You gave  
Through Your Son You sent to save us  
From ourselves and our despair  
It comforts me to know You're really there

Well I wanna thank You now for being patient with me  
Oh it's so hard to see, when my eyes are on me  
I guess I'll have the trust and just believe what You say  
Oh You're coming again, You're coming to take me  
away

I wanna die and let You give Your life to me, so I might  
live  
And share the hope You gave to me, the love that set  
me free  
I wanna tell the world out there, You're not some fable  
or fairy tale  
That I've made up inside my head, You're God the Son  
You've risen from the dead

Oh I wanna thank You now for being patient with me  
Oh it's so hard to see, when my eyes are on me  
I guess I'll have the trust and just believe what You say  
Oh You're coming again, coming to take me away

I wanna die and let You give Your life to me, so I might  
live  
And share the hope You gave to me  
I wanna share the love that set me free
