Oh, my job keeps getting easier  
As time keeps slipping away  
I can imitate your brightest light  
And make your night look just like day  
I put some truth in every lie  
To tickle itching ears  
You know I'm drawing people just like flies  
'cause they like what they hear

I'm gaining power by the hour  
They're falling by the score  
You know, it's getting very simple now  
'cause no one believe in me anymore

Oh, heaven's just a state of mind  
My books read on your shelf  
And have you heard that God is dead  
I made that one up myself  
They dabble in magic spells  
They get their fortunes read  
You know they heard the truth  
But turned away and followed me instead

I used to have to sneak around  
But now they just open their doors  
You know, no ones watching for my tricks  
Because no one believes in me anymore

Everyone likes a winner  
With my help, you're guaranteed to win  
And hey man, you're ain't no sinner  
You've got the truth within  
And as your life slips by  
You believe the lie that you did it on your own  
But don't worry  
I'll be there to help you share our dark eternal home

Oh, my job keeps getting easier  
As day slips into day  
The magazines, the newspapers  
Print every word I say  
This world is just my spinning top

It's all like child's-play  
You know, I dream that it will never stop  
But I know it's not that way

Still my work goes on and on  
Always stronger than before  
I'm gonna make it dark before the dawn  
Since no one believes in me anymore  
Well now I used to have to sneak around  
But now they just open their doors  
You know, no one watches for my tricks  
Since no one believes in me anymore

Well I'm gaining power by the hour  
They're falling by the score  
You know, it's getting very easy now  
Since no one believes in me anymore  
No one believes in me anymore  
No one believe in me anymore
