Who you gonna throw in the lake of fire,
Oh God our Lord?
Who you gonna throw when the flames get higher,
Oh God our Lord?
The Devil and the man with the dark desire,
Oh God our Lord.
The Devil and the man with the dark desire,
Oh God our Lord.

Oh God our Lord, Oh God our Lord.
Who you gonna throw in the lake of fire,
Oh God our Lord, Oh God our Lord.

Will my name be there when the books are opened,
Oh God our Lord.
Will my name be there when the books are opened,
Oh God our Lord.
You better know now, don't just be hoping,
Oh God our Lord.
You better know now, don't just be hoping,
Oh God our Lord.

Oh God our Lord, Oh God our Lord.
Well my name be there when the books are opened,
Oh God our Lord, Oh God our Lord.

Who's outside of the Holy City,
Oh God our Lord.
Tell me, who's left out of the Holy City,
Oh God our Lord.
The liar and the thief and the ones half ready,
Oh God our Lord.
The liar and the thief and the ones half ready,
Oh God our Lord.

Oh God our Lord, Oh God our Lord.
Tell me who's left out of the Holy City,
Oh God our Lord, Oh God our Lord.

My, My, My Lord.
I'm crying out to you master, Oh Lord,

Don't you know I need you, Oh Lord.
Have mercy on a poor sinner like me, Oh Jesus.
Don't you know I need you, Oh Lord.
