I need to say these things 'cause  
I love you so  
And I'm sorry you get angry when I say that  
You just don't know

That there's a heaven waiting  
For you and me  
I know it seems every time we talk  
I'm only tryin' to just make you see

And it's only that I care  
I really only want  
Just to see you there

Please try and overlook my  
My human side  
I know I'm such a bad example  
And you know I'm so full of pride

But Jesus isn't like that  
No He's perfect all the way  
I guess that's why we need Him  
'Cause by ourselves, there's just no way

And it's only that I care  
I really, really only want to see you there  
Just to see you there

Close the doors  
They're just not comin'  
We sent the invitations out long, long, long, long time  
ago  
We're still gonna have a wedding feast  
Big enough to beat them all  
The greatest people in the world just wouldn't come  
So now we'll just have to invite the small

And it's only that I care  
I really, really only want  
Just to see you there

Isn't that Jesus?

Isn't that Joseph and Mary's son?  
Well, did He grow up right here?  
He played with our children

What! He must be kidding  
Thinks He's a prophet  
Well, prophets don't grow up from little boys  
Do they? From little boys?  
Do they?
