We are like windows  
Stained with colors of the rainbow  
Set in a darkened room  
Till the bridegroom comes to shining through

Then the colors fall around our feet  
Over those we meet  
Covering all the gray that we see

Rainbow colors of assorted hues  
Come exchange your blues  
For His love that you see shining through me

We are His daughters and sons  
We are the colorful ones  
We are the kids of the King  
Rejoice in everything

My colors grow so dim  
When I start to fall away from Him  
But up comes the strongest wind  
That He sends to blow me back into his arms again

And then the colors fall around my feet  
Over those I meet  
Changing all the gray that I see

Rainbow colors of the Risen Son  
Reflect the One  
The One who came to set us all free

We are His daughters and sons  
We are the colorful ones  
We are the kids of the King  
Rejoice in everything

We are like windows  
Stained with colors of the rainbow  
No longer set in a darkened room  
'Cause the bridegroom wants to shine from you

No longer set in a darkened room

'Cause the bridegroom wants to shine from you
