Walk and talk, Walk and talk
Well tell the world about it, said I'm standing on the
rock
I'm gonna walk and talk with my Jesus, stand with the
Lord - Amen
I'm gonna Walk and talk, Walk and talk
well tell the world about it, said I'm standing on the
rock
I'm gonna walk and talk with my Jesus, stand with the
Lord - Amen

Listen Here, Praise the Lord, Praise His Name
Well listen to my story you know I was a natural man
Because I was a child I never walked I never ran, now I
can stand - Amen.
Well I said look at that man, wasn't he lame?
Yes it's the power of the Lord that's made him whole
again,
Now he can walk and talk with Jesus, stand with the
Lord - Amen
I'm gonna Walk and talk, Walk and talk
well tell the world about it, said I'm standing on the
rock

I'm gonna walk and talk with my Jesus, stand with the
Lord - Amen

Why do you marvel, why do you gaze
It's not by my power that a man can be saved,
You've got walk and talk and trust Jesus, and stand with
the Lord
Walk and talk, walk and talk, tell the world I'm standing
on the rock.
I'm gonna walk and talk with my Jesus, stand with the
Lord - Oh Yeah!

Walk and talk, Walk and talk
Well tell the world about it, said I'm standing on the
rock
I'm gonna walk and talk with my Jesus, stand with the
Lord,

I'm gonna walk and talk with my Jesus, stand with the
Lord,
I'm gonna walk and talk with my Jesus, stand with the
Lord,
Stand with the Lord.
