My son, My son, why are you striving?  
You can't add one thing to what's been done for you  
I did it all while I was dying  
Rest in your faith, My peace will come to you

For when I hear the praises start  
Oh, I want to rain upon you  
Blessings that will fill your heart  
I see no stain upon you

Because you are My child and you know Me  
To Me you're only holy  
Nothing that you've done remains  
Only what you do for Me

My child, My child, why are you weeping?  
You will not have to wait forever  
That day and that hour is in My keeping  
The day I'll bring you into Heaven

For when I hear the praises start  
My child, I want to rain upon you  
Blessings that will fill your heart  
I see no stain upon you

Because you are My child and you know Me  
To Me you're only holy  
Nothing that you've done remains  
Only what you do in Me  
Just what you do for Me

My precious bride, the day is nearing  
When I'll take you in My arms and hold you  
I know there are so many things that you've been  
hearing  
But you just hold on to what I have told you

For when I hear the praises start  
My bride, I want to rain upon you  
Blessings that will fill your heart  
Oh, I see no stain upon you

Because you are My child and you know Me  
To Me you're only holy  
Nothing that you've done will remain  
Only what you do for Me  
Just what you do for Me

What you do for Me  
Just what you do for Me
