Like a foolish dreamer trying to build a highway to the sky

All my hopes would come tumbling down

And I never knew just why

Until today, when you pulled away the clouds

That hung like curtains on my eyes

Well I've been blind all these wasted years

And I thought I was so wise

But then you took me by surprise

Like waking up from the longest dream, how real it seemed

Until your love broke through

I've been lost in a fantasy, that blinded me

Until your love broke through

All my life I've been searching for that crazy missing part

And with one touch, you just rolled away

The stone that held my heart

And now I see that the answer was as easy

As just asking you in

And I am so sure I could never doubt

Your gentle touch again

It's like the power of the wind

Like waking up from the longest dream, how real it seemed

Until your love broke through

I've been lost in a fantasy, that blinded me

Until your love, your love broke through

Like waking up from the longest dream, how real it seemed

Until your love broke through

Until your love broke through
