Its four o'clock my work is done i can go home early for
a little fun

We stay suprised as a little tikes to an ordanairy story
book life, I look down the hall and i saw the end shadow
on the wall of another man

Tell me whos been sleepin in papa bears bed whos
been lovin my baby instead of me i cant see tell me
whos been sittin in my favorite chair rockin my baby
while im not there tell me when did this fairy tale end
whos been sleepin in papa bears bed

ones to hot ones to cold twos just right so im gonna go
turn the page its time to move on whatever we had has
already gone all the kings horses and all the kings men
couldnt put our hearts together again

chorus #1
x2

tell me whos been sleepin in papa bears bed
