V: What you won't do for love when your heart is
captivated. You
Found that special lady. Something deep inside is
stomping you
For walking away. Girl you're my song but ev'rybody
else is
Singing it. I ain't never did you wrong baby why are you
doggin'
Me. Don't let 'em deceive you, no. Play with your mind.
It seems
I'm wastin' my time.

Ch: Just give me any kind of reason not to let you go.
How much
I love you deep inside I guess you'll never know. And if
you had
Any kind of feelings you would go, oh no.

V: What you won't do for love. Girl you broke my heart, I
found
This number. I gotta break this spell your under. While
I've been
Livin' I ain't givin' up on love oh no. Never gonna let you
go. Girl
You're my song but ev'rybody else is singin' it. I ain't
never did
Wrong baby why are you doggin' me. Don't let 'em
deceive you
No. Play with your mind. If we can't work it out baby
don't you
Say that I'm not tryin'.

Ch:

Br: Oooh ho. Oh, oh. Girl your my song but ev'rybody
else is
Singin' it. I ain't never did you wrong, I never did you
wrong!
Don't let 'em deceive you no. Play with your mind
'cause you're
Never, ever gonna find a love like mine oh, oh.

Ch: (To fade)
