Trailer red like the sea  
Well I'm the son of a crowded bed  
Find your love's gonna count for me  
Your love that breaths, breeds  
Gonna paste up our damn heads  
Gonna drop, gonna drop, gonna count for me  
Your love that breaths, breeds  
Your love that's catchin' the breeze.  
Son of a crowded bed  
Son of a cloudy night  
Well find your love's gonna count for me, your love's  
gonna count for me  
We'll count down (8x)  
Yeah

Waitin' for a chance to pass  
Some ho say some say now go  
Lookin' for a chance for speed  
A love that breaths, breeds  
High time getting past black  
Gonna drop, gonna drop, gonna count for me  
Your love that breaths, breeds  
Your love that's catchin' the breeze  
Son of a crowded bed  
Son of a cloudy night  
Find your love's gonna count for me, your love's gonna  
count for me  
We'll count down (16x)  
Yeah
