Dennis Larden
Matragun Music, Inc.-BMI

Heard the call and I packed it all,
And I'm on the road again.
You can help to ease my low,
And I will be your friend.
But the morning brings the sunlight,
And the sunlight brings my friend.
So I say goodbye to lonely I want LA back

One night stand in New York City
Lights are bright and the girls are pretty
Held her heart and I held her hand
Good bye lady.
I'm a one night stand.

Oklahoma, Arizona,
Wish I knew for sure.
Came to town and I held my ground,
That's what I came hear for.
But the voices in the distance,
And their calling me back home.
I'll be leaving in the morning,
Guess my fate is not my own.

One night stand in New York City
Lights are bright and the girls are pretty
Held her heart and I held her hand
Good bye lady.
I'm a one night stand.

(Solo)

Gypsy queens and magazines,
Living on the land.
Don't make ties and don't lies,
Do the best you can.
But of every place I've been to,
And of every place I've seen.
I feel lonesome among strangers,

I feel naked without strings.

One night stand in New York City
Lights are bright and the girls are pretty
Held her heart and I held her hand
Good bye lady.
I'm a one night stand.

Good bye lady.
I'm a one night stand.
