Back door Sally won't you let me in
I'm out here in the alley can't you hear me knocking
I'm nervous as a pussycat in a dog pound
Come on Sally girl stop your messing around
We can have lots of fun, balling to the break of dawn
Back door Sally won't you let me in?.

Back door Sally hey open up that door
I know your in there I can hear rock and roll
I can hear you dancing in the hall all by yourself
Are you gonna leave me here playing with myself
We can have lots of fun, balling to the break of dawn
Back door Sally won't you let me in?.

Hey Sally love my knuckles getting sore
I've been knocking thirty minutes on your back door
The music's getting louder every minute it seems
Is there someone else in there with ya doin the thing
We can have lots of fun, balling to the break of dawn
Back door Sally won't you let me in?.

(Guitar Solo)

Back door Sally won't you let me in?.
