Well it's been building up inside of me
For oh I don't know how long
I don't know why
But I keep thinking
Something's bound to go wrong

But she looks in my eyes
And makes me realize
And she says "Don't worry baby"
Don't worry baby
Don't worry baby
Everything will turn out alright
Don't worry baby
Don't worry baby
Don't worry baby

I guess I should've kept my mouth shut
When I started to brag about my car
But I can't back down now
Cause I pushed the other guys too far

She makes me come alive
And makes me realize
When she says "Don't worry baby"
Don't worry baby
Don't worry baby
Everything will turn out alright
Don't worry baby
Don't worry baby
Don't worry baby

She told me "Baby, when you race today
Just take along my love with you
And if you know how much I loved you
Baby nothing could go wrong with you"

Oh what she does to me
When she makes love to me
And she says "Don't worry baby"

Don't worry baby
Don't worry baby
Everything will turn out alright
Don't worry baby
Don't worry baby
Don't worry baby

Oh what she does to me
When she makes love with me
And she says "Don't worry baby"

Don't worry baby
Don't worry baby
Everything will turn out alright
Don't worry baby
Don't worry baby
Everything will turn out alright
