Yo, this is funky  
Stevie J (Yeah) this is funky (Word)  
Cherrelle, come on  
Keith kicks the rhyme at the right time  
In a black jeep with Cherrelle in the drivers seat  
Socializin, dip-dip divin  
Noddin to a phat Stevie J beat  
Master of disaster, you came to me  
We treat the Benz just like a hooptie  
We bring noise and the funk with the chalk and the  
skunk  
With the double pump in the trunk  
Learn a lesson, we make it hot  
Im not a player hater, yo, I just dis a lot  
Cherrelle

What am I to say what I gotta do  
To let you know my heart is calling out for you  
Gotta find the right time  
Cant deny that I need you in my life

Been knowing you for awhile now  
Always said I had to have you somehow  
Im just a woman who knows what she needs  
If youre down, come take a chance with me, ho, ho...

What am I to say (Say) what I gotta do (Do)  
To let you know my heart is calling out for you (Oh)  
Gotta find (Gotta find ) the right time (Right time)  
Cant deny that I need you in my life

I want a man just to love me  
I take care of myself, I dont need to help  
Dont wait for my to get down on my knees  
I wont beg, dont plead, just tell me where to start, I  
need

I know that youre afraid of getting caught up in  
romance  
But my love is calling, give me a chance (Give me a  
chance)

You're all I really love  
And I'm yearning for your love

What am I to say (Mmm) what I gotta do  
To let you know my heart is calling out for you  
Gotta find (Gotta find ) the right time (Right time)  
Can't deny that I need you in my life (What I got to say)

What am I to say (What I gotta do) what I gotta do  
To let you know my heart is calling out for you  
Gotta find the right time  
Can't deny that
