Enter the count  
In all his grimoire testimony  
Generations of genocide  
Severed sex glands to his delight  
Meatuses litter the ground  
Every step-hundreds of genitals  
Placed here for the kingdom of sodomy  
Fanfare of depraved in despair  
Blinding stench of carnage  
Dismembered, discarded  
Kill?  
Hate?  
Decreate.

In the perineum and out the mouth  
Quartered by wooden spikes  
Absence of genitalia  
Hidden by disgorged abdomen  
Entrails spill upon the land and then  
swept aside to my delight

Enter the tyrant  
With all his carnal necrophelia  
Generations of genocide  
Severed sex glands to his delight  
Meatuses under your feet  
Placed here for the kingdom of sodomy

A cornucopia of throbbing gutshed  
The sand is blood red  
And stained with disease  
Every appendage is pinned and held high  
A testament to humanity  
Cannot you just die?  
Everything you know.  
Everything you love.  
Must be destroyed.  
You die annihilated

Islets and divided sectors  
For every body part  
Standing in fields of disease

Praying on bended knees  
That you might survive  
As you've lost your arms  
As they've tossed your legs  
The hounds now eat the carnage  
A fleshy turf now thrives  
You've died of your wounds  
Earthen visceral womb  
Geography-a tomb

Enter the christian  
So blind in your demise  
Impossible to run  
With spikes through your thighs  
Meatuses litter the street  
Placed here for the kingdom of sodomy
