It's just as wicked as it seems
Just run out of dreams
Better of two evils, babe
It's one time too much

Baby, how can I say
What's in my heart, what's in my heart?"
Come a long way, well since you beat it up
(Beat it up, beat it up)

As wicked as it seems, yeah
(Why don't you get, get all over me?)
(Why don't you get, get all over me?)

Just a two way street
But now it goes one way
And now for me there's no way out
(No way out)
One time
("Why don't you get, get all over me?")

As wicked as it seems
It's playtime, but it's far too late
It's gonna too hard on
(Hard on, hard on it)

What you gonna give
(It's not enough, not enough for me)
So I soften the blow
So the bruises don't show
I've got the expertise

No broken necks
No broken hearts
Well, we used your deck
All I did was play the cards
(And now the check)

Now I find it's not enough
It's not enough for me
Now you want to give
It's not enough

It's not enough for me

As wicked as it seems
Why don't you get, get all over me?
One time
Why don't you get, get all over me?
Why don't you get?

It's easy gettin' in
Why don't you get, get all over me?
But it's a hard way out babe
Why don't you get, get all over me?
Why don't you get, get all over me?
Why don't you get?

Why don't you get, get all over me?
Why don't you get, get all over me?
Why don't you get?
